WELCOME TO FILM

PATRON™ offers the following selections¹ for your sponsorship:

PLAYS & PLAYERS - A true love story brought to the screen by Nels Larson, the Ingmar Bergman of ironic comedy, an independent film about two nineteen year olds who become involved with each other, by chance, while students attending a large impersonal university. This film is slated to star Rena Thomas and Harry Cannon, with Benita Franklin, Mattie Farrington, and Stan Packard.

OIGA - A Spanish drama, with subtitles, about a burglar who must grapple with is conscience after stealing and fencing a valuable violin that he, unknowingly, stole from the home of a young talented blind violinist. Cast as yet not determined.

COYOTE BEAUTIFUL - An independent film by noted film maker, Mars Alexander. A western of the old school that revolves around the varying concepts of justice, how they merge, how they are in conflict, how they vanish and reappear to suit the moment. Slated to star Lee Rosen and Naomi Winter.

DON'T - A film for the seeker of suspense. Chad Hyatt portrays the man next door, who is also the man who should never enter your life. He is a diabolical serial killer who outwits nearly everyone but an equally diabolical detective played by Jane Stanley.

If you are interested in sponsoring one of the films offered, just click on the film that interests you to learn more about it. To return to this page, hit the Back Arrow to learn about other films. ...

NOW ...

You are more than a spectator, a part of the audience. You are a participant in the creation of a new work. Because of your support a film is going to be produced, shown, and enjoyed. As a way of acknowledging you, PATRON™ and the creator of the work would like to include your name in the list of Patrons for [COYOTE BEAUTIFUL]. You will be listed on a website dedicated to recognizing all those who have participated in the creation of this film. Also, you may be listed in the credits on your copy of the DVD that you are able to purchase through PATRON™
